Reforming the UK's Citizenship Test Thom Brooks
2022-04-29 How many questions could you answer in a pub quiz about British values? Designed to ensure new migrants have accepted British values and integrated, the UK's citizenship test is often portrayed as a bad pub quiz with answers few citizens know. With the launch of a new post-Brexit immigration system, this is a critical time to change the test. Thom Brooks draws on first-hand experience of taking the test, and interviews with key figures including past Home Secretaries, to expose the test as ineffective and a barrier to citizenship. This accessible guide offers recommendations for transforming the citizenship test into a 'bridge to citizenship' which fosters greater inclusion and integration.
