One Body: A Program of Marriage Preparation and Enrichment for the New Evangelization John and Claire Grabowski 2018-06-29 In recent years the Church has called for a more intensive formation for couples preparing for the vocation of marriage, both before the wedding and in the months and years to follow. John and Claire Grabowski's *One Body: A Program of Marriage Preparation and Enrichment for the New Evangelization* is an answer to that call. Through the teaching of Scripture and the Tradition of the Church, *One Body* guides couples preparing for marriage and living out their vocation in such important topics as forming a new family, marriage as a covenant and a sacrament, sexuality and the gift of children, mutual submission in marriage, fostering intimacy in all of its forms, constructive conflict resolution, and "investing" in a marriage. Written with a seamless blend of real-world experience and faithful theology, including resources to strengthen and sustain vibrant Christian marriages, this easy-to-follow program answers the Church's call to dive deeper into this vital sacrament.

*A Catechism for Family Life* Sarah Bartel 2018-08-29 The purpose of *A Catechism for Family Life: Insights from Catholic Teaching on Love, Marriage, Sex, and Parenting* is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life. Many Catholics are under-catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture. Pope Francis, along with the fathers of the two recent Synods on the Family, have called for better formation for those who work in the area of marriage and family life (see *Amoris Laetitia*, 202). To address this need, we gathered pertinent questions facing men, women, and pastoral workers in marriage and family life. We then found passages relevant to these questions by researching Church documents on marriage and family from the past one

hundred years. These include papal encyclicals, apostolic exhortations, and addresses, Vatican II documents, and the Catechism of the Catholic Church. Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life. While the Catholic Church has developed a rich, detailed, and positive teaching on marriage, family, and sexuality, many Catholics do not have access to this teaching, buried as it is in lengthy Church documents which many find intimidating. Finding the relevant teaching to address specific questions is not always a simple task, either. This book's main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question.

Beyond the Birds and the Bees Greg Popcak 2014-06-26 "The Talk." It's one of the most daunting prospects parents face. Communicating the richness of Catholic teaching on sexuality in a faithful and effective way can be an overwhelming responsibility. But does it have to be so? In this thoroughly revised version of *Beyond the Birds and the Bees*, Greg and Lisa Popcak empower you with the tools needed to move well beyond "the Talk" by offering a comprehensive guide to raising sexually whole and holy children. Using the riches of Blessed John Paul II's *Theology of the Body*, the Popcaks help you safely navigate your children from infancy through the teenage years and beyond. This book answers the questions parents may have, including: What lessons must my children learn at each stage to develop a healthy Christian sexuality? How can I have age-appropriate conversations about sensitive issues with my children? How can I teach my children what it takes to be a true Catholic man or woman? How can I help my children have healthy, Christian dating relationships? ...and much more
