Star-Crossed Dragons Chris Cannon 2021-02-01 Sara Sinclair might be a Blue Dragon ice princess, but she certainly doesn't act like one. And she definitely doesn't buy into the Blue Dragon Clan's crap that says marriage should focus on alliances and power. So Sara's furious when her Blue parents sign a contract for her to marry an absolute asshole. She has zero interest in being one half of a snobby Blue power couple—especially when she'd rather bite her obnoxious fiancé's head off and bury it in the garden. There's also the small problem of Ian McKenna, a fire-breathing Red Dragon who is everything her fiancé is not. Of course, dating Ian is forbidden. Getting involved with anyone outside of your Clan is against Directorate law. Ian could be thrown in jail or executed without a trial. But now that she knows what love feels like, how could she ever marry someone else? Now the only way Ian and Sara can be together is by giving up their dragon way of life. No flying. No magic. No family or friends. And if Sara knows anything, it's that stories like this never turn out well...

Blackmail Boyfriend Chris Cannon 2015-08-07 Sometimes, blackmail is the only weapon a girl has... Haley Patterson has had a crush on golden boy Bryce Colton for ages. But when she hears a rumor that he hooked up with her she gives him a choice: be her boyfriend for a month to show other guys that she's dateable—despite her overprotective and very intimidating brothers—or deal with the angry, cage-fighting boyfriend of the girl he actually did hook up with. Bryce didn't know the other Haley even had a boyfriend. He was just trying to get his ex off his back. And now, not only is he being blackmailed, he's being blackmailed by an honor student. His new "girlfriend" has two three-legged dogs, her father mows grass at the country club, and she's...well, difficult. And different. Can something so fake turn into something real?

Going Down in Flames Chris Cannon 2014-06-30 If her love life is going down in flames, she might as well spark a revolution. Finding out on your sixteenth birthday you're a shape-shifting dragon is tough to swallow. Being hauled off to an elite boarding school is enough to choke on. Since Bryn is the only crossbreed at the Institute for Excellence, all eyes are on her, but it's a particular black dragon, Zavien, who catches her attention. Zavien is tired of the Directorate's rules. Segregated clans, being told who to love, and close-minded leaders make freedom of choice almost impossible. The new girl with the striped hair is a breath of fresh air, and with Bryn's help, they might be able to change the rules. At the Institute, old grudges, new crushes, and death threats are all part of a normal day for Bryn. She'll need to learn to control her dragon powers if she wants to make it through her first year at school. She isn't sure which is scarier, the life-force sucking dragons stalking campus or the fact that she's officially betrothed to Jaxon, a guy who will never love her. Not that she could ever love him, either... That's just ridiculous. Senior year should be fun. Her parents are alive, she's finally fitting in, and she's learning how to be a Medic. But what's with Jaxon giving her strange looks? He runs hot and cold, and he doesn't even have the excuse of being a hybrid fire-and-ice-breathing dragon like her. One minute they're having a great time and the next, she wants to blast a fireball at his head. The marriage contract of doom looms over them—unless this match not made in heaven kindles a flame... Another fantastic story by Chris Cannon." -No Escape Like a Book Bryn's hopes for a peaceful new semester at school go up in smoke when someone tries to kill her—again. She's not sure which is scarier, facing the radicals who want to sacrifice her for their cause, or her impending nightmare of a Directorate-arranged marriage to her nemesis, Jaxon. The one bright spot in her life is Valmont, her smoking-hot knight who is assigned to watch over her twenty-four hours a day. Is what she feels for him real or just a side effect of the dragon-knight bond? At this point, stopping the impending civil war might be easier than figuring out her love life. She may have to live in their world, but she doesn't have to play by their rules. Instead of cleaning eccentric Carol's house, she's bound to a demon as his soul-collector. Soon Meena discovers that the boring, pageant-obsessed, bonfire-loving town that she's never fit into is a hotbed for soul-sucking demons, demon-hunting witches, and vampires who just wanna have fun... And then she comes into her own powers. Could things get any stranger? Good thing she meets new guy Jake—who gets her and still hangs around. When Jake's mom sends him off to his Aunt Zelda's for the summer, he thought he'd be bored. But nothing is what it seems in this town. His aunt isn't just odd, she's a witch who fights demons and tries to maintain the magical balance of the town. Jake should get the hell out of there, and he would leave, except for bad-ass newbie witch Meena, who looks at him like he matters. He never counted on sticking around, but Meena's bound to a demon who wants to destroy her soul—and Jake's finally found someone worth fighting for.

Boomerang Boyfriend Chris Cannon 2017-09-11 Working with her best friend's brother at Betty's Burgers, free-spirited Delia starts to see Jack in a new light. Not only has Jack-the-Jerk turned into a hottie, he's even acting like a nice guy, who rescues dogs and knows how she likes her coffee. But if Jack is into her, then why is he keeping her a secret? Of course, if her best friend doesn't approve, Delia could lose the only family she's ever known. Seeing Delia in her retro waitress uniform throws Jack's world out of whack. She's always been just another pain in the butt little sister...not a datable female. But she's rockin' the Pie Princess tiara, and even her hot-pink striped hair is sexy. What's that about? He needs to get his head on straight, because artsy, funky Delia and her nonconformist ways don't fit in his safe and ordered world.
