My Secret (Scarata Mia)

Hélène Lapaire Justus
2012-11-26 Five years ago, Katteya Grays best friend, Gentle Fawn, died a violent death, and her case still

remains unsolved. Katteya, a well-known shaman and psychic, has acquired some pretty strong investigative skills, assisting in criminal cases around the world. Now she has decided to put those abilities in action to discover the real reason for her friends brutal murder. Her family estate, Moonbow, waits for her. Katteya not only must face the facts of her friends untimely demise; she also has dramatic ancestral issues to work out. The Gray family clings tightly to its secrets, and perhaps, as Katteya seeks the killer of Gentle Fawn, she may also solve some mysteries from her own shadowy past.

Encountering her old mentor and past classmates, Katteya navigates her home town and gets closer to the violent truth. Her mind is somewhat muddled by a newfound love interest, and the truth seems to be buried deeper and deeper beneath decades of mountain lies. Will Katteya solve the murder of Gentle Fawn, or will the secrets of Moonbow be her ultimate undoing?
