Jehovah Himself Has Become King Robert King 2010-05

Critics have leveled many
accusations against the leaders
of the Watchtower Jehovah's
Witnesses, accusing them of
being soft on pedophiles-of
being false prophets and of
ruining families. But how do we
know what Jehovah himself
thinks of the organization that
bears his name? The answers
are in the Bible. Robert King
offers a unique interpretation
of God's judgments in
scripture, comparing modern-
day Jehovah's Witnesses to the
people of Jerusalem in ancient
times who came under God's
judgment. This prophetic book
does more than expose the
errors and hypocrisy of the
Watchtower's leadership; it
serves as a revelation of God's
judgments on the people who
bear his name. *Jehovah Himself
Has Become King* is a must-
read for both devout Jehovah's
Witnesses and those who are
questioning their faith. This

revised third edition includes new indexes and updates on current problems facing the church, making it a definitive reference guide.
