Parables of the Kingdom Melissa Lynch 2012-07-31 Parables of the Kingdom is a language arts curricular unit on the New Testament Parables for seventh grade and up. The unit correlates to state standards and outcomes and the curriculum calendar provides over 30 hours of content material. Each session is accommodated with a full lesson plan, as well as the accompanying worksheets and keys. The narrative unit investigates the parables as literature, and provides historic critical and sociological background of the text. This unit is based on best practices in teaching and learning, and it is enriched by socratic circles, story-maps, role plays as well as relevant reading and writing assignments, and creative, productive projects.

Design for Teaching and Training - A

Teacher's Guide LeRoy Ford 2002-08-30 This is

a book for teachers and people who help teachers, such as writers and editors of curriculum materials. It applies to all kinds of teaching--secular and religious--by both professionals and volunteers. It tells how to plan and how to evaluate results. The book has some interesting and helpful features. It is designed for effective self-study, but it is equally usable in class situations. The reader is guided through a careful, step-by-step process that provides frequent check points to verify and reinforce learning. Cartoon-style pictures present concepts visually, adding a refreshingly light touch. Content is serious, but presentation is concise and clear.
