1 day ago · unique (comparative *uniquer* or more *unique*, superlative *uniquest* or most *unique*) (not comparable) Being the only one of its kind; unequalled, unparalleled or unmatched. *unique* 1. used to mean 'the only one' If something is *unique*, it is the only thing of its kind. This is a unique opportunity. Humans are *unique* because they have the capacity to choose what they do. *Unique* refers to something that is one of a kind, distinct or unlike anything else. It may refer to an individual, an object, an idea, a situation or a circumstance that stands out from others due to ... *Unique* definition: Being the only one of its kind. Having no like or equal; unmatched; sole; unequalled; single in its kind or excellence: often used relatively, and then signifying rare, unusual. *noun* A *unique* thing; a thing unparalleled or sole of its ... **UNIQUE** definition: existing as the only one or as the sole example; single; solitary in type or characteristics. See examples of *unique* used in a sentence. *Unique Learning System* is a comprehensive special education curriculum designed for teachers and service providers working with students from Pre-K through transition age. if something is *unique* to a place or situation, it only exists in that place or situation: The shape of each and every snowflake is *unique*. His talents make him truly *unique*. The thinking is that *unique* properly only describes what is unequalled or otherwise distinct from all others. Just as something cannot be more "only" than another, it cannot be more *unique* than another.
