2,000 words/year, and not more than 200 words/day. With this 3500-word dictionary you can easily satisfy any daily needs to communicate in Albanian. Albanian speaking people can use this dictionary as well, to find terms and words in English. American-Albanian families can use this as a tool to refresh their memory before they travel to Albania. The selection of Albanian words has been made based on the studies of the University Of Perugia (Italy), "Fjalori Drejtshkrimor i Gjuhës Shqipe", and my own experience in teaching foreign languages at Tirana University (Albania), Worcester State College and Assumption College, in Worcester MA.
