2010-01-13 "Get In Touch With Nature! Bird Watching is Said To Be The Most Relaxing And Peaceful Hobbies That Anyone Can Do. Don't Pass On The Book That Can Make You An Expert Birdwatcher!" Bird watching is growing in popularity around the world. In fact, it is only second to gardening! To the average person, bird watching may not seem to be too exciting or even insightful, but oh how wrong that image is! Birds give us beauty, entertainment, observational skills, and so much more! It can be very challenging to identify species of birds. With this book, we'll show you different ways you can not only identify birds, but how you can learn about their unique traits and even the songs they sing! You don't have

to spend excess time and money looking for advice on how to get started. We've got it all here! What's included in this book? - The equipment you'll need - What to look for in a good pair of binoculars - Bird watching etiquette - Tips for identifying birds - Appreciating the songs of birds - Attracting birds to your back yard - Landscaping for birds AND MORE! Bird watching is a simple sport, but it is a sport! It requires practice, concentration, and skills to become adept at it. The beginning bird watcher can't go out one time and know exactly what kind of birds they encounter. It takes time and practice and - above everything else - patience! Because you don't need special equipment to watch birds, you can literally do it anywhere - parks, forests, even your own backyard! Learn what other birders already know - bird watching has more benefits than you can ever imagine.
