*Dark Runs the River* Shane Curry 2019-05-17 A woman chances one more drink before she is due to see her daughter. A young man reveals his secret. A man struggles with his past. A boy strives for survival during the Irish Famine. *Dark Runs the River* is a collection of thought-provoking short stories exploring loneliness, loss, perseverance, hope, and despair. All nine stories are set in Taraloe, a fictional town in Northern Ireland, and give a glimpse of life at different times. From Bronze Age forests to present-day pubs, the collection pairs the unfamiliar

with the everyday. Shane Curry is a writer from Ireland. He is studying a Bachelor of Arts, majoring in creative writing. *Dark Runs the River* is his debut collection. This book is a novella-length collection (about 21,000 words).

*Tell God I Don't Exist* Timothy Reed 2013-05-10 These stories are of the kind that contain hard-laboring moles, floods, babies born holding sea creatures, urban bumble bees, sickened mermaids, tardigrades, bombs on the moon, burial mounds, tornadoes, ants, hummingbirds, immense shadows, wayward turtles, tiger thieves, homeless witchdoctors, dead children, dinosaur bones, giants, tiny monks, resilient spiders, intrusive housekeepers, and the laughter of small animals, though not necessarily in that order.

**Shoal** Alice Olivia Scarlett 2018-05-08 A handpicked collection of some of the finest short stories by the authors of Thanet, edited by Alice Olivia Scarlett and with a foreword by

David Lee Stone. Dealing with family and belonging, outsiders and outcasts, this anthology is the voice of Thanet's writing community. Some of the stories are mournful. Some are grotesque, some are funny, some are magical. Each one has something to say. Welcome to Shoal.

Creative Resistance Sabine Damir-Geilsdorf 2020-04-02 During the uprisings of the Arab Spring between 2010 and 2012, oppositional movements used political humor to criticize political leaders or to expose the absurdities of the socio-political conditions. These humorous expressions in various art forms such as poetry, stand-up comedy, street art, music, caricatures, cartoons, comics and puppet shows were further distributed in the social media. This first comprehensive study of political humor in the uprisings explores the varieties and functions of political humor as a creative tool for resistance. It analyzes humorous forms of cultural expression and their impact on socio-political

developments in different countries of the Middle East and North Africa with a special focus on the changing modes of humor.

Frank Clark Short Stories

Frank Clark 2012-08-30 This book is a collection of short stories written by Frank Clark. Stories are humorous,

imaginative, and introspective. An interesting and creative style of writing outside the box of the classical literary short story. Many stories are written in the vernacular to describe people and place. These stories are about everyday people in everyday life. You will identify with many of the characters and themes of these stories. The wit and creativity of Franks writing will make you laugh, allow you to step into an imaginary world and will give you something to think about. Each story is amusing and will capture your interest. Read one story and you cant wait to read the next. These stories are quite funny. You will laugh and you will smile. Enter an imaginary world, a brief escape from the demands of your day. You will return to your day feeling refreshed, relaxed with exuberant energy to complete your day. Maybe an extraordinary day. Lastly, many of the stories are introspective. They give you something to think about from a different point of view. These stories have been written for you. You

*Pangea* Rebecca Lloyd 2012-07

This anthology of thirty-four short stories by twenty-five writers from thirteen countries reflects its title, 'Pangea', meaning 'all lands' or 'all earth'. The writers featured include journalists, scientists, a lawyer, a costume designer, a magazine editor, a crofter in the Scottish highlands, a bookseller, and a writer-in-residence at a young offenders' prison, and their stories are as different and as interesting as their occupations. Their narratives are equally diverse and distinctive; there are quiet voices, brave voices, tender voices, and haunting voices. And yet the perspectives of this collection, its range of tones - be they the raw intensity of a man's confrontation and failure on a road in Scotland, the dramatic preparations for a big birthday party in Nigeria, or the moment a young man comes face-to-face with his Bollywood idol - have enormous commonality; the conflicts faced and the emotions felt by

the characters are recognizable, irrespective of the cultural identities of the authors or the cultural settings of the stories themselves. The writers of these unique short stories are all members of the online writers' community known as Writewords.
