Music around the World Andrew R. Martin 2020-09-08 With entries on topics ranging from non-Western instruments to distinctive rhythms of music from various countries, this one-stop resource on global music also promotes appreciation of other countries and cultural groups. A perfect resource for students and music enthusiasts alike, this expansive three-volume set provides readers with multidisciplinary perspectives on the music of countries and ethnic groups from around the globe. Students will find *Music around the World: A Global Encyclopedia* accessible and useful in their research, not only for music history and music appreciation classes but also for geography, social studies, language studies, and anthropology. Additionally, general readers will find the books appealing and an invaluable general reference on world music. The volumes cover all world regions, including the Americas, Europe, Africa and the Middle East, and Asia and the Pacific, promoting a geographic understanding and appreciation of global music. Entries are arranged alphabetically. A preface explains the scope of the set as well as how to use the encyclopedia, followed by a brief history of traditional music and important current influences of music in each particular world region.

Hit Songs, 1900-1955 Don Tyler 2007-04-16 This is a chronology of the most famous songs from the years before rock 'n' roll. The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows,

providing performing credits, relevant professional awards, and brief biographies for hundreds of the era's most popular performers, lyricists, and composers. Includes an alphabetical song index and bibliography.

The Famous Feud Project Casian Anton 2024-01-12 In the history of human nature there are conflicts with a happy ending, or with a tragic ending. The Famous Feud, in general, seems to have a happy ending with one winner: Taylor Swift. From my point of view, the Famous Feud ended in July 2016. In June 2017 I was convinced that Taylor Swift was the victim (for the second time) of Kanye West. In October 2023, after I have updated the entire research on the Famous Feud, the original conclusion did not change. I created this edition to include everything I wrote about the Famous Feud. It is an edition for people interested in reading the entire Famous Feud story from A to Z. The Famous Feud Project report has two parts: Part 1. Music in Black and White: A Journey Behind the Musical Notes; Part 2. On the Famous Feud. Enjoy your reading!

Pop Culture in Asia and Oceania Jeremy A. Murray 2016-08-15 This ready reference is a comprehensive guide to pop culture in Asia and Oceania, including topics such as top Korean singers, Thailand's sports heroes, and Japanese fashion. This entertaining introduction to Asian pop culture covers the global superstars, music idols, blockbuster films, and current trends—from the eclectic to the underground—of East Asia and South Asia, including China, Japan, Korea, India, the Philippines, Thailand, Vietnam, and Pakistan, as well as Oceania. The rich content

features an exploration of the politics and personalities of Bollywood, a look at how baseball became a huge phenomenon in Taiwan and Japan, the ways in which censorship affects social media use in these regions, and the influence of the United States on the movies, music, and Internet in Asia. Topics include contemporary literature, movies, television and radio, the Internet, sports, video games, and fashion. Brief overviews of each topic precede entries featuring key musicians, songs, published works, actors and actresses, popular websites, top athletes, video games, and clothing fads and designers. The book also contains top-ten lists, a chronology of pop culture events, and a bibliography. Sidebars throughout the text provide additional anecdotal information.

Songs of the Lisu Hills Aminta Arrington 2020-01-07 The story of how the Lisu of southwest China were evangelized one hundred years ago by the China Inland Mission is a familiar one in mission circles. The subsequent history of the Lisu church, however, is much less well known. *Songs of the Lisu Hills* brings this history up to date, recounting the unlikely story of how the Lisu maintained their faith through twenty-two years of government persecution and illuminating how Lisu Christians transformed the text-based religion brought by the missionaries into a faith centered around an embodied set of Christian practices. Based on ethnographic fieldwork as well as archival research, this volume documents the development of Lisu Christianity, both through larger social forces and through the stories of individual believers. It explores how the Lisu, most of whom remain subsistence farmers, have oriented their faith less around cognitive notions of belief and more around participation in a rhythm of shared Christian practices, such as line dancing, attending church and festivals, evangelizing, working in one another's fields, and singing translated Western hymns. These embodied practices demonstrate how Christianity developed in the mountainous margins of the world's largest atheist state. A much-needed expansion of the Lisu story into a complex study of the evolution of a world Christian community, this book will appeal to scholars working at the intersections of World Christianity, anthropology of religion, ethnography, Chinese

Christianity, and mission studies.

Black and White Music Casian Anton 2021-08-21 In Black & White Music report I investigated a very small part of the music industry from the USA (0.09% musicians); more precisely, I investigated the contribution and the artistic merit (greater or lesser) of black artists (0.03%) and white artists (0.05%) in the production and writing of their albums. The artists investigated in this report are Taylor Swift, Kanye West, Beyoncé, Kendrick Lamar, Macklemore & Ryan, Adele and Beck. I selected these artists because the music produced and released by them was used by various artists and journalists as examples of allegations of discrimination and racism which takes place in the music industry in the USA. The aim of the research is split into 2 levels: in the first level: I explored, analysed and created a comparative study about the contribution and the artistic merit of black and white artists in the production and writing of their albums; to achieve this aim, I added contribution and artistic merit into one bubble of research and treated the two concepts with the same meaning, then I divided the bubble into 8 points of research. the second level: is about using the findings from the eight points of research to offer a response to three conventional wisdom advanced by black artists and their supporters against the rules and awards offered by The Recording Academy. Black & White Music report it is unique and original which investigates the artistic merit of six of the best artists in the music industry of the USA; in these pages, there is an advanced comparative analysis of the music released by famous artists that was never done before. Black & White Music report was born out of the urgent need to confront and challenge the three conventional wisdom advanced by black artists and their supporters who feel and promote the idea of injustice regarding the music released. Black & White Music report can be used to calm the realities of discrimination and racism and

provides a point of reference of the quality, originality and novelty of the music investigated in these pages; also, it is for future artists waiting to be discovered, and what they need to expect once they are part of the music industry. Second Edition July 2023

Musings Along the Spiritual Journey Bob Griffin Sr. 2026-01-20 Bob has served in ministry for over 60 years, a rich journey of following Jesus. Each daily Musings is drawn from his journey of faith and Bible study. Bob and his wife Connie led a fifteen-year citywide prayer ministry for regional revival. That's when Bob began writing Monday Musings. This is an edited daily devotional from those years. Bob has served in a variety of ministries including Counseling/Mentoring, Lead Pastor, Youth for Christ, and as campus pastor at Taylor University. Humor: "I felt like my body had become totally out of shape, so I got my doctor's permission to join an aerobics class. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. By the time I got my leotards on, the class was over." Wisdom: "Psalm 1 says the key to knowing God is to delight in His Word. How should we use the Word? Meditate on it long and hard . . . hide it in our hearts by reading and memorizing it until it shapes our loves, hopes, and imagination" (Psa. 119:15-16). Musing: "Every great athlete and every winning team has at least one coach if not many of them. It's pretty much impossible to be highly ranked, or outstanding in a sport, without good coaching. Consider the most important contest that we will ever have. It's where we experience the agony of defeat, the thrill of victory, and sometimes everything in between. It's life. Who will coach us? Will we thrive?" (Heb. 13:5).
