MARY KARMEN-ITA She was a girl from a village of two hundred people in Roman-

occupied Galilee. The journey to Judea took ten days on foot. Maternal mortality was real. The world she lived in was small, hard, and precise. And yet. Mary tells her story not through dogma, but through history. Forty-four chapters, forty-four original artworks created in classical realism with Renaissance and Caravaggesque influences — from childhood in Nazareth, through the Annunciation, the Visitation with Elizabeth, and the return home. Each chapter is grounded in documented sources: biblical texts, rabbinic literature, the writings of Josephus and Philo of Alexandria, archaeology of Roman Palestine, anthropological studies of ancient Mediterranean culture. This is not catechism. It is historical-narrative writing that makes the familiar strange again — and the extraordinary visible in its ordinariness. The forty-four images are the visual core of the project. Pictorial portraits that follow Mary through her world with attention to clothing,

architecture, and landscape, while maintaining the artistic freedom that beauty requires. Bilingual Italian and English. Because Mary of Nazareth belongs to world history — and this book is a contemporary contribution to the millennial tradition of sacred art that makes the invisible visible. *Think Yourself Rich* Joseph Murphy 2001-07-01 Happiness and success are goals we all strive for. But how do we achieve these goals, and how do we protect ourselves if we fail? The answer lies within the power of the mind. Dr. Joseph Murphy, one of the world's best-known authorities on the power of the subconscious mind, shows readers not only how to unleash this power, but how to harness it and effectively use it to change their lives. Fully updated to reflect the sensibilities of the 21st century, this revised edition of a self-help classic is the key to overcoming the psychological barriers that stand in the way of greater material, spiritual, and emotional wealth.
