International Accordion Favorites Bruce Bollerud 2015-08-27 Welcome to the world of international accordion music. This collection contains a sampling of ethnic folk music from Europe and the Americas and forms the foundation of a basic folk accordion repertoire. These songs are from many nations. They are crowd pleasers and they are fun to play. I have played most of these songs in the various bands I have played with over the years. These melodies have stood the test of time, so what are you waiting for? Open the book, get your accordion out and let's play some music! One word about these songs: I generally learn a song and then play it by heart-by memory as opposed to playing it by reading from a sheet of music. I believe this allows for more personal expression and interpretation which can be affected by audience response or the way I feel at the time. You'll notice that on most of the performances on the CD I didn't play repeats. Because of the limited time available on a disc we found we couldn't fit all the tunes if we played them as written. Written by Bruce Bollerud, June 2007.

The Classical Tradition Gary Dahl 2012-10-25 One of the truly great things about the accordion is its extreme versatility. Other instruments envy its ability to transform from an intimate solo performer to themightiest of orchestras contained in one player. The accordion can be as delicate as a single violin, and switch instantly into a full symphonic section of strings, brass and winds. Contained in this collection is a wonderful variety of classical favorites (as well as some original compositions specifically for the accordion) that showcase everything the accordion can do. You'll find operatic melodies, tunes you once played at the piano, art songs, and dazzling themes from well-known concertos. The book contains music written over the course of three centuries, from Rossini to Dahl. The Classical Tradition is destined to become a necessary addition to every accordionist's library!

First 50 Songs You Should Play on the Accordion Gary Meisner 2018-05-01 (Accordion). If you're new to the accordion, you are probably eager to learn some songs. This book provides 50 simplified arrangements of popular standards, folk songs and showtunes that accordion players like to play, including: All of Me * Beer Barrel Polka * Carnival of Venice * Edelweiss * Hava Nagila (Let's Be Happy) * Hernando's Hideaway * Jambalaya (On the Bayou) * Lady of Spain * Moon River * 'O Sole Mio * Sentimental Journey * Somewhere, My Love * That's Amore (That's Love) * Under Paris Skies * and more.
