**Financial and Managerial Accounting** Jerry J. Weygandt 2020-11-17 Financial and Managerial Accounting, 4th Edition, provides students with a clear introduction to the fundamental financial and managerial concepts needed for anyone pursuing a career in accounting or business. Through a focus on accounting transactions, real-world industry examples, and robust assessment, students develop a solid understanding of how to apply accounting principles and techniques in practice. By connecting the classroom to the business world with an emphasis on decision making and key data analysis skills appropriate at the introductory level, Financial and Managerial Accounting ensures students are more engaged and better prepared for careers as professionals in the modern business world.

*Financial & Managerial Accounting* Jerry J. Weygandt 2015-01-07 Financial and Managerial Accounting, 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, Financial and Managerial Accounting is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts, and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements. \*WileyPLUS with ORION is sold separately from the text.
