High Points Aaron Coe 2020-03-13 High Points tells the story of a Bob Peddin, a chubby, unspectacular, 40-something family guy, who believes he discovers a social media connection between mothers who have disappeared and his old high school friend's quest to summit the high point of each of the 50 states. Is he imagining things? Or is his old friend killing women all over the country? Bob envies his former high school classmate, Jake Mallory, who climbs mountains and lives life like a college sophomore for all to see on social media. Bob, whose rare excitement comes mostly from arguing with Little League umpires, weeds through Facebook's whining, bragging and duck-face selfies to live vicariously through people like Jake - until his chilling discovery pulls

him into the middle of the action. With no one willing to listen and police beginning to suspect Bob himself of murder, he must choose between the safety of his suburban cul de sac or a high-altitude confrontation.

The Crow Valley Karaoke Championships Ali Bryan 2023-07-25 A prison escape, a bear on the loose, botched lyrics. What more could go wrong with Crow Valley's most anticipated night of the year? A year after forest fires ravaged the town of Crow Valley and claimed the life of Dale Jepson—karaoke legend, local prison guard, and all-around good guy—the community hosts a high-stakes karaoke competition. But when a convicted murderer escapes from nearby Crow Valley Correctional, residents discover there's more on the line than local, perhaps even national, karaoke fame. In this darkly comedic, fast-paced ride through an unforgettable small town, five residents with intimate connections to Dale and drastically different goals for the night will collide into, conspire with, and aid one another as they scramble to make it successfully through the evening under the scrutinizing watch of neighbors. To the soundtrack of classics belted out with abandon, voices will crack, cars will be stolen, marriages will falter, and kids will slip away in search of trouble. And maybe, just maybe, lives will be transformed for the better.
