Cruising the Florida Keys Claiborne Young 2006-06-30 "Your new Florida Keys cruising guide is terrific, and is now my personal choice for cruising the Keys. Everywhere we went aboard Bluewater, we compared what you said with what we saw and you were virtually 100% on target." --Milt Baker This completely updated edition by the king of cruising guides provides reliable instructions and lively commentary about traveling from the Port of Miami all the

way to the Dry Tortugas. Boaters may choose one of two routes to the Florida Keys, the inside route via the Intracoastal Waterway or the offshore option through Hawk Channel. In both cases, the authors pinpoint and assess obstructions, anchorages, marinas, fuel supplies, and other facilities for cruisers. Cruising the Florida Keys also contains first-hand evaluations of restaurants, cultural attractions, and historical sites, including the many things to see and do in Key West. Cruising the Florida Keys can be used alone or accompanied by Claiborne Young's Coastal Charts for Cruising the Florida Keys (sp), which contains the latest NOAA nautical charts cross-referenced to the cruising guide. These maps include anchorages, marinas, fueling stations, bridges, restaurants, historical sites, and other important bits of information for boaters.
