The Secret to Peak Productivity Tamara Myles 2014-02-06 Certified Professional Organizer (CPO®) and productivity expert Tamara Myles has developed a simple model--the Productivity Pyramid--that provides an actionable framework for anyone to achieve better results. Increasing productivity is a nonnegotiable for any business that wants to survive, let alone thrive, in today's climate. The problem is, there is no simple, single, plug-and-play solution that will work for anyone. The industries are too varied, technology is updating too rapidly, and customers are too inconsistent. Based on a sequence of steps leading to peak performance, the author's easily adaptable system consists of five levels: Physical Organization: from decluttering to filing-fool-proof strategies for handling incoming papers and ensuring information remains accessible Electronic Organization: from dealing with email to electronic file management options such as cloud computing Time Management: mastering the three P's-Plan, Prioritize, and Perform Activity-Goal Alignment: breaking objectives into specific, relevant, and measurable daily tasks Possibility: identifying new life and business goals that will help you reach your greatest potential After a quick assessment to determine your strengths and weaknesses and to pinpoint where to focus most for immediate results, the framework will then provide a range of potential strategies, allowing you to discover your own individualized Secret to Peak Productivity!

No Excuses! Brian Tracy 2023-08-15 Most people think success comes from good luck or enormous talent, but many successful people achieve their accomplishments in a simpler way: through self-discipline. No Excuses! shows you how you can achieve success in all three major areas of your life, including your personal goals, business and money goals, and overall happiness. Each of the 21 chapters in this book shows you how to be more disciplined in one aspect of your life, with end-of-chapter exercises to help you apply the "no excuses" approach to your own life. With these guidelines, you can learn how to be more successful in everything you do --instead of wistfully envying others you think are just "luckier" than you. A little self-discipline goes a long way -- so stop making excuses and read this book!

Revealing the Mysteries of Heaven David Jeremiah 2017-01-01 What happens when we die? Where do we go? Is there an afterlife? Does the Bible say anything specific about heaven? Are there streets of gold there? This book will answer those questions and tell you what's up with heaven. By studying the Scriptures from Genesis to Revelation and studying a variety of topics, the curtain is pulled back—to the extent Scripture allows—to reveal the glorious and utterly amazing realm of heaven.

[The Book of Signs](#) Dr. David Jeremiah 2019-03-05 From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events and social crisis. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, The Book of Signs is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose.
