Let's Eat France! François-Régis Gaudry 2018-10-16 There's never been a book about food like Let's Eat France! A book that feels literally larger than life, it is a feast for food lovers and Francophiles, combining the completist virtues of an encyclopedia and the obsessive visual pleasures of infographics with an enthusiast's unbridled joy. Here are classic recipes, including how to make a pot-au-feu, eight essential composed salads, pâté en croûte, blanquette de veau, choucroute, and the best ratatouille. Profiles of French food icons like Colette and Curnonsky, Brillat-Savarin and Bocuse, the Troigros dynasty and Victor Hugo. A region-by-region index of each area's famed cheeses, charcuterie, and recipes. Poster-size guides to the breads of France, the wines of France, the oysters of France—even the frites of France. You'll meet endive, the belle of the north; discover the croissant timeline; understand the art of tartare; find a chart of wine bottle sizes, from the tiny split to the Nebuchadnezzar (the equivalent of 20 standard bottles); and follow the family tree of French sauces. Adding to the overall delight of the book is the random arrangement of its content (a tutorial on mayonnaise is next to a list of places where Balzac ate), making each page a found treasure. It's a book you'll open anywhere—and never want to close.

Ladurée Sucré Philippe Andrieu 2023-09-27 The story of Ladurée started in 1862 when Louis Ernest Ladurée opened a bakery in the heart of Paris at 16 rue Royale. In 1872, following a fire, the little bakery became a pastry shop and the decoration was then done by Jules Cheret, a famous painter and poster-designer of the time. Jeanne Souchard, Ernest Ladurée's wife, then had the idea of combining the Parisian café with a pastry-shop, thereby creating one of Paris' first tea-rooms. In 1993 Ladurée was bought by Francis and David Holder and becomes one of the best-known gourmet addresses in Paris, a veritable institution with its famous "macaron" as its emblem. In 1997 Ladurée opened a tea-room/restaurant on the prestigious Champs-Élysées, followed by another in the Printemps department store and on the Left Bank as well as the beginning of their international adventure with branches in London, Geneva, Monaco and Tokyo. In this book Philippe Andrieu, the Pastry Chef at Ladurée, reveals 100 of the most famous Ladurée recipes, adapted for the general public. From the Strawberry Cake with Rose Choux Pastry to Pistachio Financiers and the world-famous macarons in all their variety, this icon of French "art de vivre" is brought to life in a palette of pastries the color of powder pink, light green, bright purple, and lemon yellow.

La Vie Parisienne Janelle McCulloch 2008-04-01 Afterwards, if it's warm, I'll make my way through Hemingway and Fitzgerald's old neighbourhood near the St. Suplice to the Jardin de Luxembourg and its parterres of pistachio green chairs for a stroll among the statues. Or join other flavour-obsessed habitues at the atmospheric organic market on leafy Boulevard Raspail, where string bags are filled with dewy pears, tiny limes, bundles of fresh basil and thyme, heirloom tomatoes, sleek leeks and elegant asparagus stalks so chic they could be Kate Moss of the potager model agency. After an ill-fated affair with the Queen Mother's equerry, a young London-based Australian journalist, Janelle McCulloch, runs away to Paris to restore her pride. The city leaves an indelible print and she returns many years later to live there for a year. *La Vie Parisienne: Looking for Love - and the Perfect Lingerie* captures Janelle's experiences that year, immersed in life in Paris. An acute observer of Parisienne style in action, Janelle set off to re-invent herself and in the process, discovered she was very comfortable in her own skin. Janelle's account is warm, honest, funny and at times, poignant and tender.
