Tire Patch Cookies Are Good for the Soul Janet McCanless 2013-10-18 I don't think there is any sound more wonderful than the sound of laughter, and humor, to me, is what makes the world spin. As I said in my last compilation, I tried being downcast and depressed once, it didn't work for me, and if we try hard enough, we can find humor in any situation. Once, during

one of my humor presentations, I tried some self deprecating humor, and found it quite to my liking. Not that there isn't anything funny about me anyway, I just have this quirky way of looking at things, and when you laugh, the world laughs with you, when you cry, you only have to blow your nose! Besides, I have funny relatives. So, here we are, warts and all, the funny stuff, the touching stuff, the weird and stupid stuff, it all makes for a funny read trust me on this. I hope you enjoy this compilation, a lot of it stories are from my own experiences and acquaintances, and, not only that, most of it is true!!! If you do enjoy it, tell somebody else and maybe they'll buy the book too. Whatever you do, NEVER lend this book to anyone; I make no money off of loaned books!!!!
