A Gil Vicente Bibliography (2005–2015) Constantin C. Stathatos 2018-09-01 This is a compilation of contributions to the study of the Portuguese playwright Gil Vicente (1465–1536) which appeared between 2005 and 2015. Entries are grouped under three main headings: Editions and Adaptations, Translations, and Critical Studies. The scholarly interest in the father of the Portuguese theater continues unabated, as it can be seen in the great numbers of scholarly works, both editorial and critical, which appeared in the decade under question. The modest aim of this work is to alert scholars as to which of Gil Vicente's works have not received adequate critical attention. New names are constantly added to the list of established vicentistas and new ways of looking at the dramatist's works are introduced.

A World of English, a World of Translation Francisco Javier Díaz Pérez 2004 El título de este volumen resalta dos realidades intrínsecamente ligadas en la sociedad actual: la expansión globalizadora del inglés como lengua franca y la importancia de la traducción en un mundo en el que la comunicación intercultural supone una necesidad cada vez más acuciante. Los distintos capítulos de este libro abordan el tema de la traducción en su relación con la lengua inglesa desde diversos enfoques, como el de la lingüística, la literatura, la enseñanza y el aprendizaje de lenguas o las nuevas tecnologías.

A New Companion to Linguistic Anthropology Alessandro Duranti 2023-04-03 Provides an expansive view of the full field of linguistic anthropology, featuring an all-new team of contributing authors representing diverse new perspectives A New Companion to Linguistic Anthropology provides a timely and authoritative overview of the field of study that explores how language influences society and culture.

Bringing together more than 30 original essays by an interdisciplinary panel of renowned scholars and younger researchers, this comprehensive volume covers a uniquely wide range of both classic and contemporary topics as well as cutting-edge research methods and emerging areas of investigation. Building upon the success of its predecessor, the acclaimed Blackwell Companion to Linguistic Anthropology, this new edition reflects current trends and developments in research and theory. Entirely new chapters discuss topics such as the relationship between language and experiential phenomena, the use of research data to address social justice, racist language and raciolinguistics, postcolonial discourse, and the challenges and opportunities presented by social media, migration, and global neoliberalism. Innovative new research analyzes racialized language in World of Warcraft, the ethics of public health discourse in South Africa, the construction of religious doubt among Orthodox Jewish bloggers, hybrid forms of sociality in videoconferencing, and more. Presents fresh discussions of topics such as American Indian speech communities, creolization, language mixing, language socialization, deaf communities, endangered languages, and language of the law Addresses recent trends

in linguistic anthropological research, including visual documentation, ancient scribes, secrecy, language and racialization, global hip hop, justice and health, and language and experience Utilizes ethnographic illustration to explore topics in the field of linguistic anthropology Includes a new introduction written by the editors and an up-to-date bibliography with over 2,000 entries A New Companion to Linguistic Anthropology is a must-have for researchers, scholars, and undergraduate and graduate students in linguistic anthropology, as well as an excellent text for those in related fields such as sociolinguistics, discourse studies, semiotics, sociology of language, communication studies, and language education.
