Blood Covenant Michael Franzese 2009-10-28 Mob boss

Michael Franzese had it all—money, power, prestige. From the time he took a blood oath that bound him body and soul to New York’s Colombo crime family, Franzese became a force to be reckoned with in organized crime. Named by Vanity Fair as one of the biggest moneymakers in the mob since Al Capone, he quickly crept into the upper echelon of Mafia authority in this country. By the age of thirty-five, he was the youngest mobster listed on Fortune magazine’s survey of the fifty most wealthy and powerful Mafia bosses in America. Then, he did the unthinkable: he quit the mob. Today, Michael is a Christian, finding his own Damascus Road that began with his wife Camille. The story of his conversion is a testament of God’s willingness to reach into the heart of any man regardless of their past or the present condition of their lives. In one of the most fascinating books ever written about today’s Mafia, Michael reveals the answers to the many mysteries surrounding his

incredible life. Find out how and why he did what no one else managed to do—and live. Journey with Michael through a life defined by two blood covenants. The first bound him to the mob. The second set him free.

Frank Nitti Ronald Humble

2008-02-19 Frank The Enforcer

Nitti is arguably the most glamorized gangster in history.

He was an infamous Chicago wiseguy who eventually rose to command the city's premier underworld organization—The Outfit. Though he has been widely mentioned in fictional works, this is the first book to document Nitti's real-life criminal career alongside his pop culture persona, with special chapters devoted to the many television shows, movies, and songs featuring Nitti.

Author Ronald Humble chronicles The Enforcer's beginnings in New York's Navy Street Boys to his position as Al Capone's second-in-command and eventual leadership of the outfit, with bodies piling up
