Bianca, born to two vampires, has always been told her destiny is to become one of them. But Bianca fell in love with Lucas—a vampire hunter sworn to destroy her kind. They were torn apart when his true identity was revealed, forcing him to flee the school. Although they may be separated, Bianca and Lucas will not give each other up. She will risk anything for the chance to see him again, even if it means coming face-to-face with the vampire hunters of Black Cross—or deceiving the powerful vampires of Evernight. Bianca's secrets will force her to live a life of lies. Yet Bianca isn't the only one keeping secrets. When Evernight is attacked by an evil force that seems to target her, she discovers the truth she thought she knew is only the beginning. . . .

Encountering Enchantment Susan Fichtelberg 2015-09-29 The most current and complete guide to a favorite teen genre, this book maps current releases along with perennial favorites, describing and categorizing fantasy, paranormal, and science fiction titles published since 2006. Speculative fiction continues to be of consuming interest to teens, so if you work with that age group, keeping up with the explosion

of new titles in this category is critical. Likewise, understanding the many genres and subgenres into which these titles fall—wizard fantasy, alternate worlds, fantasy mystery, dystopian fiction, science fantasy, and more—is also key if you want to motivate young readers and direct them to books they'll enjoy. Written to help you master a complex array of genres and titles, this guide includes more than 1,500 books, most published since 2006, organizing them by genre, subgenre, and theme. Subgenres growing in popularity such as "steampunk" are highlighted to keep you current with the latest trends. The guide will serve three audiences. Of course, you can turn to it as you help your teenage patrons select the books and genres that will interest them most.
