*Grown and Flown* Lisa Heffernan 2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

**U Thrive** Dan Lerner 2017-04-18 From the professors who teach NYU's most popular elective class, "Science of Happiness," a fun, comprehensive guide to surviving and thriving in college and beyond. Every year, almost 4,000,000 students begin their freshman year at colleges and universities nationwide. Most of them will sleep less and stress out a whole lot more. By the end of the year, 30% of those freshmen will have dropped out. For many, the unforeseen demands of college life are so overwhelming that "the best four years of your life" can start to feel like the worst. Enter Daniel Lerner and Dr. Alan Schlechter, ready to teach students how to not only survive college, but flourish in it. Filled with fascinating science, real-life stories, and tips for building positive lifelong habits, U Thrive addresses the opportunities and challenges every undergrad will face -- from finding a passion to dealing with nightmarish roommates and surviving finals week. Engaging and hilarious, U Thrive will help students grow into the happy, successful alums they all deserve to be.
