*Dream Codes* Leon Titus 2012-01-01 *Dream Codes* is a powerful little book about the purpose of dreaming. It not only explains why we dream, but also how to remember and interpret your dreams. The author gives a few examples of things that can affect our dreaming, and how, when acknowledged, dreams can change and improve our life. The author

explains why we have ghosts and how they can affect our life, and even our sleep and dreams. He also includes things like, spiritual energy, the truth about psychics, and the importance of harmony between, the mind, body and soul. The book also includes a three hundred word dream dictionary which gives on average, three examples of what each dream symbol may mean. The symbols chosen are what the author feels are the most commonly dreamed about, and also the ones that trouble people most. The dictionary is detailed and authoritative, and offers insight into the language of dreams.

**VideoHound's Golden Movie Retriever** Jim Craddock 2001-08

*The Dream Code* Veronica Mayer 2022-01-22 When we dream, our conscious mind is asleep. Dreams are places not dominated by our senses, where our spirits, soul, and purpose of our lives can rest. Our dreams come in the language of parables and illustrated stories that express the mysteries of God. Whether you believe in God or not this book will help you understand how to interpret your dreams in-depth, and it will give you an in-depth understanding of the symbols found in your dreams. The primary reason God uses dreams to speak to us is because he knows he has our full attention. God speaks spiritually, and we think naturally. God is always trying to speak to us in any way he can. He is constantly looking for ways to grab our attention, but the question is, are we even listening?
