The Ring in the Glass Nathan

Toulane 2016-04-14 As the

painting of The Temptation of Christ hangs ominously on the wall, young SAMUEL MORGAN is plagued by its haunting presence. But it's not just the painting that's causing him anguish. Samuel's involvement in the Occult with an insane witchcraft scientist, ALAN WILSON, has set free a terrifying

demon—BEELPHEGOR—with

devastating effect. Desperate for a solution, Samuel's mother, MARILYN MORGAN, seeks help from doctors and psychiatrists. But their support is ineffective in the face of such malevolent forces. In a last-ditch effort, Marilyn turns to REVEREND STEPHEN MASON, a priest-counsellor known for his expertise in exorcisms. But before he can begin the daunting task of driving out the demon that possesses Samuel, Reverend Mason must first overcome his own faltering faith and uncertainties about God. As the battle between good and evil rages on, the stage is set for a final showdown between the reverend and the demonic Beelphegor on holy ground—where the fate of Samuel's soul hangs in the balance.

The Critic Joanne Schwehm 2015-03-02 WORDS Convey a message Andrea Jordan dreams of acting on Broadway, and she

is at the cusp of achieving success. All her sacrifices start to pay off when she lands a role that will catapult her to stardom. CAN Express our thoughts Award-winning theater critic Bentley Chambers possesses the power to make or break a career. Theatergoers consider his reviews to be gospel, and actors cringe at the thought of him in the audience. His words possess power. HURT A heart's not made of stone More than one actor has been sent packing after Bentley's bad reviews, and Andrea could be next. She won't stand by and let him shatter her dreams, but she never thought giving him a piece of her mind would also mean giving him a piece of her heart. Will Andrea discover on her own the passion Bentley claims she lacks, or will he be the one to draw it out of her? Words... choose them wisely.

"A sexy contemporary romance novel set in New York City about a love triangle"--

I Should've Been A Nun

Raven Sky 2025-04-03 Raven Sky came up with the title as an oxymoron. She raised the question, Where would you be if you changed your choice at any point in your life? If you changed your choice from what you did choose to another? Would you have gone through

the same challenges or maybe you wouldn't? Would you become the person you are now if you didn't choose the path you chose in the past? So by coming up with this title, it was meant to be humorous. If she chose to be a nun, she would not have learned the lessons or gone through the challenges she has gone through to make her who she is today. Nor would she be able to share her knowledge from her life to help those who search for peace or understanding in their life.
