*Strategic Management Cases* David W. Grigsby 1993

*Strategic Management: Theory and Cases* Charles W. L. Hill 2023-03-04 This comprehensive and engaging text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Melissa Schilling integrate cutting-edge research on topics including competitive advantage, corporate governance, diversification, strategic leadership, technology and innovation, and corporate social responsibility through both theory and case studies. Based on real-world practices and current thinking in the field, the 14th edition features an increased emphasis on the changing global economy and its role in strategic management. The appendix walks students through the case-analysis process, and explains key ratios that managers use to compare the performance of firms. The high-quality case study program contains 31 cases covering small, medium, and large companies from a large range of industries and nations. Featured cases in this edition include Tesla Motors, Alibaba, Google, Microsoft, Boeing, Ikea, Zeta Energy, and many others. When paired with this student-centric text, the MindTap learning solution will prepare the next generation of strategic leaders.

*Strategic Management Cases* Strategic Management Research Group (SMRG) 2002-06-01

**Case Studies in Strategic Management** Gunther Friedl 2018-09-08 Most business schools use case studies in their courses. However, these are typically based on past cases and assigned to students to solve. This book describes a new approach for teaching with case studies, which was developed and applied successfully at TUM School of Management. In this approach, student teams write and solve their own case study on a topic concerning current and future businesses. A case can thus be on their own startup or a strategic decision of existing companies. During the course, the students receive intensive coaching while selecting and developing the case topic by the course advisors as well as feedback by industry experts and executives for whom the case is actually a burning question. The authors present 17 cases covering strategic questions for startups and technology companies such as Deutsche Post, BMW, Ryanair, Lufthansa, Stadtwerke München, Fielmann, adidas, Siemens, Caribou Biosciences, eon, Airbus, Unicredit and UBS.

**Case Solutions Manual** Fred R. David 1998-12 This edition presents updated coverage of international strategy, with revised cases and concepts, organized by industry.

**Case Studies in Strategic Management** Gareth R. Jones 2010 Based on real-world practices and current thinking in the field, the Ninth Edition of *Case Studies in Strategic Management, International Edition* features an increased emphasis on the changing global economy and its role in strategic management.

*An Industry Approach to Cases in Strategic Management* John A. Pearce 1989

**Strategic Management Cases** Charles W. L. Hill 2010 This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of *Strategic Management* features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are available in the main student text or the core case text.

*Strategic Management* Mary M. Crossan 2011-03-31 Appropriate for Strategic Management and Business Policy courses. This text supports Strategy and Policy courses by providing high-quality, class-tested cases with the underlying theme of a general manager facing issues of strategy formulation and implementation, strategic change, and personal action. Cases include those from the Richard Ivey School of Business, Harvard Business School, IMD, and independent sources.

*Cases in Strategic Management* David W. Grigsby 1997-08-04 *Cases in Strategic Management* is designed

to provide students with the best means for developing their decision-making skills. It contains 25 comprehensive, up-to-date cases featuring a wide range of organizations that are undergoing, or have undergone, strategic change. All the cases feature actual organizations, ranging in size from small businesses to Fortune "Global 500" industry giants. The emphasis of this casebook is on strategic decisions, particularly those involving quality issues and global competition. It may be used with the companion text, *Strategic Management* by Michael J. Stahl and David W. Grigsby, or with other texts or books of readings.

*Case Studies in Strategic Management: A Practical Approach* Sanjay Mohapatra 2011

**Practicing Strategy** Sotirios Paroutis 2013-02-01 \*Shortlisted for the CMI Management Book of the Year\* *Practicing Strategy* is a groundbreaking new textbook focusing on the strategy-as-practice approach, which considers strategy not only as something an organisation has but something which its members do.

*Practicing Strategy* is a groundbreaking new textbook focusing on the strategy-as-practice approach, which considers strategy not only as something an organisation has but something which its members do. is a groundbreaking new textbook focusing on the strategy-as-practice approach, which considers strategy not only as something an organisation has but something which its members do. By bringing together a number of distinctive investigations of strategy practice, this book will enrich your understanding of the dynamic process through which organizational strategies are created and executed. Key features: The first textbook to be based on insights from the strategy-as-practice perspective, making it an ideal core text for related modules Packed with real-life mini case studies and a final section containing longer cases from Apple, Centrica, Marconi, Lafarge and Wikimedia, relating theory to practice Chapters include learning objectives, summaries, discussion questions and further readings and a Companion Website contains additional online readings, to consolidate your learning and encourage in-depth analysis. *Practicing strategy* is an invaluable text for undergraduate and postgraduate students of advanced strategy modules. **The Strategy Pathfinder** Duncan Angwin 2017-09-14 Real-world strategic management practice in an interactive micro-case format *The Strategy Pathfinder* presents an innovative, dynamic guide to strategic thinking and practice. Using real-world case examples from companies like Apple, the BBC, Hyundai, LEGO, McDonalds, Nike and SpaceX to illustrate critical concepts, this book enables readers to actively participate in real-world strategy dilemmas and create their own solutions. *Strategy Pathfinder's* 'live' micro-cases provoke discussion about business models, value creation, new ventures and more, while its complimentary instructional content introduces you to the best 'classic' and new tools of strategic management. Rather than passively reproducing past and current ideas, *Strategy Pathfinder* encourages strategic thinkers to learn by doing. The book is designed to help the reader to develop a clear understanding of key concepts while shifting your thought processes towards real strategic action and innovation by enabling you to: Use strategy theories and frameworks to engage in analytical and creative discussions about key strategic issues facing real companies today Form strategic views for yourself, and test them against the views of others Effectively make and communicate recommendations based on solid strategic analysis that stand up to scrutiny from multiple stakeholders Become an active producer of new strategic ideas rather than a passive receiver of past wisdom This third edition has been updated with new chapters and cases to reflect the latest, cutting-edge issues in strategic thinking and practice. And the updated companion website offers students, instructors and managers more resources to facilitate understanding, interaction and innovation. As an active learning experience, *The Strategy Pathfinder 3rd Edition* engages the reader in the work of strategy practitioners. By arming you with the empirical research you need, and the best strategic management theories and frameworks to better analyse situations you're likely to encounter or already facing in your career, *The Strategy Pathfinder* teaches you how to improve your strategic thinking and practice, and develop your own strategic pathways for the future.

**Strategic Management** Fred R. David 2007 *Strategic Management Cases*, 11e offers a practitioner-oriented perspective; focuses on skill-building in all major areas of strategy formation, implementation, and

evaluation; and contains the most up-to-date compilation of cases available. The 38 featured cases include in the 11th edition are mostly organized into pairs of rivals competing within various industries, such as cases on: Merck and Pfizer, Kellogg and Hershey Foods, Apple Computer and Dell Computer, Jet Blue Airways and AirTran Airways, USA Truck and Yellow Roadway, Wells Fargo and Janus Capital Group, Verizon Communications and XM Satellite Radio and Samsonite and Mohawk Industries. For consultants and other strategic planners.

**Loose Leaf for Strategic Management: Text and Cases** Dr Gregory G. Dess, PhD, BIE 2018-02-12  
Strategic Management: Text and Cases, Ninth edition, written by authors Dess, McNamara, Eisner, and Lee continues its tradition of being readable, relevant, and rigorous. Its engaging writing style minimizes jargon to maximize readability. It provides examples from management practice and societal themes including environmental sustainability, ethics, globalization, entrepreneurship, and data analytics to make the content relevant. It draws on the latest research by management scholars and insights from executives to balance accessibility with rigor.

**Case Studies in Strategic Planning** Hakan Butuner 2016-02-22 Case Studies in Strategic Planning shows you how to do systematic strategic planning in real-life cases, regardless of your level of expertise. The simplified version of this methodology and its analysis tools, based on fundamentals, are easily understood and universally applied to any type of business for developing strategic plans. More important  
**Cases in Strategic Management** Sanjay Dhir 2019-04-16 This book shows how strategic management can be practiced in the context of flexibility. It discusses strategic formulation and implementation perspectives and practices, including vision and mission, general environment analysis, industry analysis, competitive advantage, resource and capability view, generic strategies, business level strategy, corporate level strategy, international strategy, change and turnaround, strategic implementation, and strategic controls, as well as flexibility embedded in these concepts. It can be used as a primary textbook for managerial programs for executives, and as a supplementary case textbook for core MBA courses. Exploring “Strategic Formulation” and “Strategic Implementation” concepts from a flexibility perspective, it is also an excellent companion to leading strategic management textbooks.

**Extremely Short Cases on Strategic Management** Ajit Prasad 2002-08 The subject of Strategy is extremely complex and perhaps can be taught only through the use of Cases. Unfortunately, most of the available cases in Strategic Management tend to be extremely long, which test more the patience rather than the intellectual rigour. This book thus fulfills the void in the literature by offering a bouquet of cases that are designed not only to test the operational understanding but the conceptual and intellectual discipline that the reader must inculcate to be a successful strategist. The book contains 24 cases, ranging from mammoth public sector organisations like SBI and SAIL to global corporations like Cray and Apple, as also the sublimely interesting episodes in the like of Phoolan Devi and Princess Diana. All the cases are extremely readable, and are designed to introduce the different aspects of Strategic Management to the reader. The book is a must read for students, strategists as well as practicing managers.

**Strategic Management** Lester A. Digman 1999 This case book clearly answers the need for a customized, modular approach in the case portion of today's policy and strategy course at the undergraduate or MBA level. Rather than using individually selected cases, individualized custom-case books, or settling for outdated information, instructors can turn to this casebook for a full complement of the most up-to-date strategic management cases. Because the main text and casebook are separated, the case book is updated frequently, ensuring coverage of recent developments. To reflect the trends in today's business environment, Digman offers a strong representation of computer and technology-related cases. Instructors who wish to highlight particular industries will find more than 18 cases and industry notes that can be combined to offer in-depth coverage of at least seven industries. In addition, an extensive, annotated listing of strategy and planning-related web sites provides Internet support for virtually all of the cases.
