The Cambridge Handbook of Community Empowerment Brian D. Christens 2024-04-25
Power and empowerment are critical topics for social change. This handbook maps out ways that people can collectively engage with, influence, and change systems that affect their lives, particularly the systems that maintain inequality and oppression. It includes in-depth examinations of a variety of approaches to building and exercising community power in

local organizations, institutions, and settings. Each chapter examines a particular approach, critically engaging with contemporary research on how and when collective action can be most effective at producing change within communities and societal systems. By examining a range of approaches in diverse contexts, this book provides new insights for scholars, practitioners, and engaged resident-leaders aiming to be more precise, strategic, and innovative in their efforts to build and sustain community power. It is the ideal resource for those working with community groups to build more just and equitable systems.

The Black Prism Brent Weeks 2010-08-25 In a world where magic is tightly controlled, the most powerful man in history must choose between his kingdom and his son in the first book in the epic NYT bestselling Lightbringer series. Guile is the Prism. He is high priest and emperor, a man whose power, wit, and charm are all that preserves a tenuous peace. Yet Prisms never last, and Guile knows exactly how long he has left to live. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he's willing to pay to protect a secret that could tear his world apart. If you loved the action and adventure of the Night Angel trilogy, you will devour this incredible epic fantasy series by Brent Weeks.

As the old gods awaken and satrapies splinter, the Chromeria races to find the only man who can still end a civil war before it engulfs the known world. But Gavin Guile has been captured by an old enemy and enslaved on a pirate galley. Worse still, Gavin has lost more than his powers as Prism -- he can't use magic at all. Without the protection of his father, Kip Guile will face a master of shadows as his grandfather moves to choose a new Prism and put himself in power. With Teia and Karris, Kip will have to use all his wits to survive a secret war between noble houses, religious factions, rebels, and an ascendant order of hidden assassins called The

Broken Eye. Read the third book in Brent Weeks's blockbuster epic fantasy series that had Peter V. Brett saying, "Brent Weeks is so good, it's starting to tick me off!".

Gavin's powers are fading and his end draws near as war rages across the satrapies in the second novel of the NYT bestselling Lightbringer series by Brent Week. Gavin Guile is dying. He'd thought he had five years left -- now he has less

than one. With fifty thousand refugees, a bastard son, and an ex-fiance who may have learned his darkest secret, Gavin has problems on every side. All magic in the world is running wild and threatens to destroy the Seven Satrapies. Worst of all, the old gods are being reborn, and their army of color wights is unstoppable. The only salvation may be the brother whose freedom and life Gavin stole sixteen years ago.
